## **2. Remuneration Philosophy**

- 2.1 The remuneration practices of PGB are anchored on the following objectives:-
  - 2.1.1 Recruit, motivate, reward and retain employees who believe in and live by PGB culture and values;
  - 2.1.2 Promote symmetric outcomes with the risk appetite of PGB by encouraging prudent risk taking in decision-making and the undertaking of business activities;
  - 2.1.3 Deliver a total reward proposition that is affordable yet competitive, fair and justifiably differentiated;
  - 2.1.4 Attract and retain high-quality individuals with the optimum mixture of competencies, ability, experience and skill to deliver on strategy; and
  - 2.1.5 Encourage a culture of organizational, team and individual performance and significantly incentivizing individuals who deliver sustained performance consistent with strategic goals.

## **3. Remuneration Principles**

- 3.1 PGB is guided by the following principles in remunerating its Directors and Senior Management:-
  - 3.1.1 Fees payable to Non-Executive Directors shall be by a fixed sum, and not by a commission on or percentage of profits or turnover (*Paragraph 7.23 of the Listing Requirements*);
  - 3.1.2 Salaries payable to Executive Directors shall not include a commission on or percentage of turnover (*paragraph 7.23 of Listing Requirements*);
  - 3.1.3 The maxim “pay for performance” is adopted in remunerating Executive Directors and Senior Management to promote the long-term success of PGB. Performance is measured based on a holistic balanced scorecard approach comprising both financial and non-financial key performance indicators (“KPIs”);
  - 3.1.4 Independent Directors shall not be remunerated with shares or stock-options. If exceptionally granted, the quantum granted shall not amount to an extent that it would result in the

Independent Director becoming a major shareholder (*Paragraph 1.01 of the Listing Requirements*);

- 3.1.5 Share options, if granted to Directors and Senior Management, shall not vest immediately. The vesting period of share options shall reflect the time horizon of risks and taking into account the potential of risks to crystallize over a longer period of time;
- 3.1.6 Bonuses to Executive Directors and Senior Management shall not be guaranteed except in the context of sign-on bonuses;
- 3.1.7 Periodic benchmarking of remuneration will be undertaken to ascertain the competitiveness of PGB's remuneration packages vis-à-vis other companies. However, such comparisons will be utilized with caution, in view of the risk of an upward ratchet of remuneration levels with no corresponding improvement in corporate and individual performance and to avoid paying more than is necessary.
